

# Sun Shine

Agility in Sustainability

Company Profile

2021

# INTRODUCTION

SunShine Solar is a start-up company idea initiated by 3 young, ambitious & highly experienced engineers who aim at establishing a Solar Photovoltaics (PV) services company, headquartered in Oman, that serves the Middle East and Africa region.

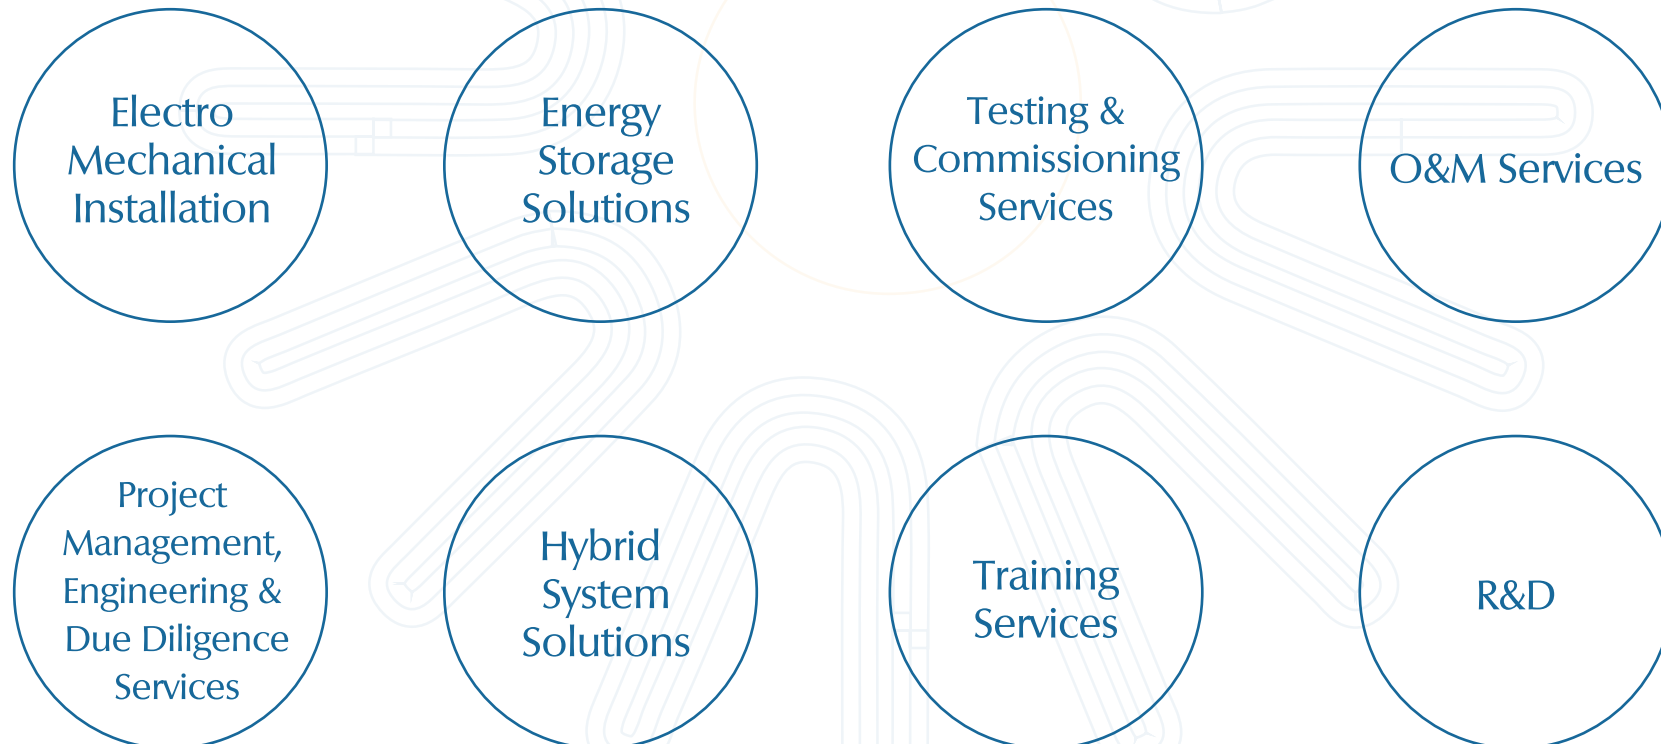

The idea stems from the positive outlook of the PV industry in the region, and from our belief in our ability to acquire projects and deliver quality services, contributing to the overall transition to renewables in Oman.

# BUSINESS SCOPE

- **Main Stream: EPC Projects**
- **Other Potential Streams :**

## WHY US ?

- **Comprehensive Team Setup.**
- **In-depth knowledge about overall solar industry.**
- **Over 12 years of experience in EPC solar projects and construction project management in various countries in the MENA region.**
